

Rules and Regulations

Updated May 18, 2024

The following Rules and Regulations have been established by the Board of Directors of the Club. These Rules are for the benefit and protection of all members, and must be adhered to strictly. These Rules are subject to change by the Board of Directors without prior notice. Members should also be familiar with the formal By-Laws of the Club, which are the final authority on Club operations; a copy of the By-Laws is available at the Club's website (<http://mtwashswimclub.com>).

"Pool Manager" in these Rules means the Pool Manager or the person designated by the Pool Manager to be in charge of pool operations at any time. The Pool Manager may take action at any time, even contrary to these Rules, if he/she deems the action necessary for the safe operation of the pool.

Members are required to caution their children and their guests to observe all Rules and Regulations as well as the directions of the Pool Manager, lifeguards, and other supervisory employees of the Club. Members shall be responsible for the conduct of their children and guests at all times.

I. USE OF THE CLUB

A. Members

- a. The facilities of the club are for the unlimited use of members and members' unmarried children under the age of 30 and living in the same household as the member. (By-Laws, Art. II, Sec. 7.)
- b. A relative, friend or employee of a member, who does not live in the member's household, may use the facilities of the club without guest charges while that person is supervising the member's children at the pool. An employee of a member who lives in the member's household as an au pair may use the facilities as a member of the member's household, except that he/she may not bring guests to the club when using the club alone.

- c. Persons renting or swapping for a member's house are not considered members of the club.
- d. A member's housesitter may have free use of the pool for a period of up to 60 days but not exceeding the period of house sitting, provided the housesitter is not paying rent to the member and the member is not using the pool during the same period. The number of housesitters may not exceed the number in the member's household. Housesitters may not bring guests to the pool.
A request for the use of the pool by a housesitter must be made by the member in writing to the Pool Manager or other pool officer.

- f. The Club reserves the right to limit any member's privileges to bring guests in a situation in which the Club believes the privilege to bring guests is being abused because it is being used to avoid including the guests in a membership. An example of this situation is an individual member who regularly or frequently brings a member of his/her household as a guest.

V. POLICY ON WADING POOL SUPERVISION

- A. Whenever a child is in the separate wading pool, a parent or other responsible person supervising that child must be inside the enclosure

around the wading pool and must be actively supervising that child in the wading pool.

- B. One of the lifeguards on duty at the main pool will have responsibility at all times for monitoring the wading pool. If the lifeguard monitoring the wading pool sees that there is no responsible person inside the enclosure to supervise a child in the wading pool or believes that the supervising person is not paying sufficient attention to a child in the wading pool, the lifeguard may take whatever action is needed to correct the situation, including requiring the supervising person to supervise the child or requiring the child to leave the wading pool.
- C. If the lifeguard monitoring the wading pool believes, in her/his judgment, that there is too much activity in the main pool for the lifeguard to devote sufficient attention to the wading pool, the lifeguard may suspend use of the wading pool temporarily.
- D. The Pool Manager also may take action either to ensure that there is appropriate supervision of children in the wading pool or to suspend use of the wading pool temporarily if the lifeguards are not able to monitor the wading pool effectively.

VI. PAYMENT OF DUES AND FEES AND RESIGNATION OR TERMINATION OF MEMBERSHIP

- A. As provided in the Club By-Laws, a member who resigns is entitled to a full refund of the member's subscription fee, without interest, only once a new member joins and pays a new subscription fee. Any outstanding dues, guest fees, or other charges will be deducted before any subscription fee is refunded.
- B. To avoid being charged annual dues in any year, a member must submit his/her resignation in writing no later than April 15 before the start of the pool season. If a resignation is submitted after April 15, a full refund of the subscription fee will be made only if a new member joins for that season and pays the full annual dues for that season.
- C. Members unable to use the Club facilities for an entire season may submit a written request for a leave of absence no later than April 15 before the start of the pool season. When economically feasible, a leave of absence will be granted for that season and the membership will be reserved for the following season. Any additional leave of absence must be submitted for each

season. If the request for a leave of absence is submitted after April 15, it will be granted only if the Club is able to obtain full annual dues from a new member for that season.

- D. Payment of annual dues is due within thirty (30) days of the invoice date. Overdue invoices will be assessed a late fee of \$25 or ten percent (10%) of the invoice amount, whichever is less.
- E. If payment of annual dues has not been received by April 15 (or 30 days after the annual dues invoice, if later), the Club reserves the right to suspend the member's privileges until payment in full has been received.
- F. If payment of annual dues has not been received by May 15, the Club reserves the right to terminate the membership and to invite a new member to join the Club. In that event, any amount of the annual dues of the terminated member that cannot be recouped from a new member will be deducted from the terminated member's subscription fee. Reinstatement of the terminated member after May 15 will be made only at the discretion of the Board of Directors and only upon full payment of all annual dues and other amounts due.
